 Subject: Review of Hanna Stope Recon Plan

Hi All!

I am expecting CH2M Hill to have the draft plan for Hanna Stope reconnaissance out on Monday (May 3rd). The plan should be an overall general approach to conducting the reconnaissance similar to what Hill developed for the Flood-Stanly (i.e., 3 - 6 pages). I suggest that we arrange a telecon for sometime the week of May 10 to discuss the recon effort, and see if we are all on board. Please send me your availability Monday (May 10) - Wednesday (May 12) and I'll coordinate a conference call.

Thanks,
 Mary Kay

Week May 10 bad
